ALL DAY

The Oaks Golf Course
4740 Pierceville Road
Cottage Grove, WI 53527

Join us in celebrating 23 years of providing accessible and safe home modifications for children with disabilities!

Logan's Heart and Smiles builds home modifications such as wheelchair ramps, safety fences, custom beds, bathroom adaptations, and more. These modifications can be expensive and although essential, are not typically covered by insurance since they are not considered medically necessary. As a result, families pay out-of-pocket, find alternative funding, or go without.

This is where Logan's Heart and Smiles steps in. To date, we've modified over 340 homes across Wisconsin, making them more accessible and safer for children and their caregivers.

Our annual fundraiser has become a signature event, uniting our supporters with the families we serve. It's a time to celebrate and connect – where we host children and their families as our guests of honor and recognize the individuals like you who help turn their home modifications into reality.

We invite you to join us on this special day and help us reach our 2025 fundraising goal of \$700,000. Together, we will continue breaking down accessibility and safety barriers for children with disabilities.

Getting a child in and out of their home should never be a luxury. With your support, we can make it a reality!

 Use the QR code or go to logansheartandsmiles.org/donate.
 You can also participate in our Annual Fundraiser Virtual Auction.
 Details to come at logansheartandsmiles.org!
Your support makes a meaningful difference!

Meet Vinnie!

Vinnie is dependent on his caregivers for all of his daily needs including showering. At 11 years old, he is too tall and heavy to safely lift over the tub for both him and his caregivers. With his new zero entry shower the risk of slips or falls has been eliminated and allows more room in the shower for Vinnie and his caregiver. This has also been a back saver for his caregivers who don't have to transfer him over the tub wall.

Logan's Heart & Smiles is a 501(c)(3) non-profit organization. Proceeds from this event are used to help children and their families thrive in their homes.
